

Fundraising Campaign for the ECK Temple of Quebec

September 4, 2026

Dear ECKist,

Last May, we sought your help through a fundraising campaign to cover part of the cost of renovating the ECK Temple of Quebec, initially estimated at approximately \$60,000.

Along the way, unforeseen circumstances, such as the replacement of the outdated chimney and furnace, increased the project costs bringing it to over \$90,000.

Thanks to your generosity, \$50,020 was raised and used entirely to cover repair costs. The remaining expenses were paid for by ECKANKAR Canada.

We would like to acknowledge the dedication and personal involvement of those who contributed to the success of this project, particularly Robert Pronovost, Marcel Vachon, and also the members of the ECK Temple's maintenance and technical teams.

We also extend our gratitude for the support of the ECKANKAR Canada Board of Trustees. We thank the administrators for their trust and the financial support they provided for the temple's restoration.

And finally, a very big **THANK YOU** to each and every one of you, for your generous monetary donations, your gifts of love, and your support for the MAHANTA's mission and the ECK Temple of Quebec.

May the blessings be!
